

# All-In-One Body Temperature Scanner

## Specifications

|                       |  |
|-----------------------|--|
| CPU                   | Cortex-A53 Quad-core   |
| RAM                   | 1G   |
| Storage               | 8G   |
| OS                    | Android 6.0  |
| Network               | 3G / 4G / 2.4G WiFi  |
| Bluetooth             | 4.0  |
| HDMI                  | x1   |
| USB                   | OTG x1, USB2.0 x2  |
| RJ45                  | 10M/100M/1000M x1  |
| Thermal Cam           | Flir One Gen3  |
| Visual Cam            | Flir One Gen3  |
| Thermal Capture       | 30°C ~ 42°C +/- 0.5°C  |
| Measuring Distance    | 1.0M ~ 1.3M  |
| Camera Frame Rate     | 8.7Hz  |
| Application           | Histechs Body Temperature Scanning (BTS) App   |
| App Display Features  | Orientation, Fusion, Spot, Rotate  |
| App Function          | Auto Calibration, Alarm/Alert, Alarm Audio, Eye Distance, Confidence Level, Relax Mode |
| Management            | bts.histechs.com   |
| Screen                | 7-inch   |
| Resolution            | 1024x600   |
| Luminance             | 260cd/m2   |
| Contrast              | 500:1  |
| Operation Temperature | -0°C to 55°C   |
| Power Supply          | DC12V2.5A  |
| Dimension             | 200mm x 160mm x 40mm   |
